Terms & Conditions	
1.0	Accommodation Expenses: Additional charges may apply for accommodation and travel expenses incurred by the team, which will be invoiced separately. All prices are exclusive of GST.
2.0	Payment terms are seven (7) days from the date of invoice unless negotiated otherwise in writing prior.
3.0	No chemical and/ or water provided or allowed for in pricing. Clients are responsible for sourcing and providing their own chemicals, water, and application rates (with sign-off from an agronomist) prior to services commencing.

DISCLAIMER:

Chemical Application & Quality Assurance: SkyApply endeavours to provide comprehensive services but cannot be held liable for damages arising from incorrect chemical application. Clients must obtain a certified agronomist's recommendation prior to commencement. SkyApply assumes all chemicals and water provided meet quality and safety standards in line with Australian Law. SkyApply is not liable for issues arising from substandard or contaminated inputs.

Target Treatment: SkyApply strives to treat all targets (plants/weeds), but cannot be held liable for pre-emerging plants or weeds that may not be visible at the time of application, which may require additional treatments.

Weather Conditions: Commencement of work is dependent upon agreement of weather conditions confirmed 48 hours prior to commencement via [BOM Tasmania](#).

Force Majeure: SkyApply reserves the right to invoke force majeure in the event of circumstances beyond our control that prevent the fulfillment of contractual obligations.

Permissions and Access: Clients are responsible for securing all necessary permissions and access to the locations where drone services are to be performed.

Accurate Instructions: Clients are responsible for providing accurate instructions and information regarding the service location and objectives. Failure to provide complete and accurate information may result in additional charges or service delays.

Contradictory Client Direction: If the client provides directions that contradict SkyApply's recommendations or position during operation, SkyApply will not be held liable for any resulting issues, damages, or inefficiencies. The client assumes full responsibility for the outcome of the work if such directions are given.

Time Limit for Claims: Any claims or issues arising from the services provided must be reported within 7 days from the date of application. SkyApply will not be held liable for claims or damages reported after this period.
