Terms & Conditions

Force Majeure: SkyApply is not liable for delays or failure to perform services due to events beyond its reasonable control, including but not limited to weather events, regulatory restrictions, or other unforeseen circumstances.

Access & Permissions: The client is responsible for obtaining all required permissions, consents, and access approvals prior to the commencement of any operations.

Client Instructions: Clients must provide clear and accurate instructions prior to service delivery. Incomplete or incorrect instructions may lead to delays or additional charges.

Direction Override: Where a client chooses to proceed against SkyApply's operational advice or best practices, the client accepts full responsibility for any resulting outcomes or impacts.

Chemical Application: SkyApply is not liable for outcomes resulting from the use of incorrect or substandard chemicals or water. Clients must supply all chemicals and water and ensure application rates are approved and signed off by a certified agronomist. No chemical and/or water is included in pricing.

Target Coverage: SkyApply will endeavour to treat all visible target species; however, pre-emergent or obscured weeds may require follow-up treatments. No guarantees are provided for complete eradication.

Weather Conditions: All operations are subject to suitable weather, confirmed 48 hours prior to deployment based on BOM Tasmania data.

Claims: Any claims related to service delivery must be submitted in writing within seven (7) calendar days of the service date.

Night Operations: A 35% loading applies to all services conducted outside standard daylight hours as defined by CASA (Civil Aviation Safety Authority) regulations.

Accommodation & Travel Expenses: Additional charges may apply for team accommodation and travel expenses, which will be invoiced separately. All pricing is exclusive of GST.

Subscription Day Rate Terms: A discounted subscription day rate is available to clients who commit to a minimum of 10 operational days per calendar year. This model supports clients requiring regular or seasonal aerial services by offering cost certainty and preferential scheduling access.

Payment Terms: Standard payment terms are seven (7) days from the date of invoice unless otherwise agreed in writing.

Cancellation Policy: Cancellations made within 24 hours of the scheduled service will incur a \$500.00 cancellation fee. *Weather-related cancellations or force majeure will be assessed on a case-by-case basis at SkyApply's discretion.*
